SRI PILLALAMARRI VENKATESWARLU:—" The previous adjournment motion relates to incidents connected with the Forest department. The present adjournment motion is connected with the Police department for which the Hon. Chief Minister, Sri C. Rajagopalachari, is responsible. There is a marked difference between the two adjournment motions. Ninety-four arrests have so far been made and lathi charges are still going on."

MR. SPEAKER:—" The matter comes under 'day-to-day administration'."

SRI PILLALAMARRI VENKATESWARLU:—" The point I wish to say is that arrests are still going on."

MR. SPEAKER:—" According to the hon. Member, arrests have been going on from 1952."

SRI PILLALAMARRI VENKATESWARLU:—" Arrests are going on even to-day."

MR. SPEAKER:—" This motion relates to 'day-to-day administration'. I therefore rule it out of order."

(2) MANHANDLING AND USING OF PHYSICAL FORCE BY THE POLICE AGAINST SRI V. VEERASAMI, M.P., ON 14TH JULY 1953, NEAR THE ASSEMBLY PREMISES.

MR. SPEAKER:—" The hon. Member, Sri A. Govindaswami, has given notice of an adjournment motion. 'That the House stands adjourned to discuss an urgent specific matter of public importance, namely, the manhandling and using of physical force by the Police against V. Veeraswami, a Member of Parliament, on the 14th July 1953 in the Mount Road near the Assembly premises while he was coming along the road with two other members of Dravida Kazhagam to make a peaceful and lawful demonstration against the new educational policy of the Chief Minister.'

The ruling I gave on a previous adjournment motion relating to arrests of members holds good in this case also."

(Sri A. Govindaswami rose to speak.)

MR. SPEAKER:—" The adjournment motion is clearly out of order. I am not going to allow the hon. Member to speak on the motion."

Point of information.

SRI VAVILALA GOPALAKRISHNAIAH:—" Sir, on a point of order. At the time of the last Budget session, when we were discussing the Education Demand, a promise was made to place before the House an amending Bill to extend the jurisdiction of the Andhra University to include Rayalaseema area. As the

Bill to provide for the formation of the Andhra State is being discussed by the House, I should like to know at what stage the matter is."

MR. SPEAKER :—" The hon. Member asked me this question and I requested him to refer the matter to the Hon. Minister in charge of Education. Instead, the Hon. Member is raising a point of order on the subject."

(Sri Pillalamarri Venkteswarlu rose to speak.)

MR. SPEAKER :—" Hon. Members wishing to raise points of information may meet me in my Chambers before raising them on the Floor of the House, and have their doubts cleared. We shall now proceed to the next item on the agenda."

III.—GOVERNMENT BILL.

THE ANDHRA STATE BILL, 1953—*cont.*

THE HON. SRI C. RAJAGOPALACHARI :—" I beg to move that—

' *The proposed Andhra State Bill,* 1953, *be taken into consideration* '."

MR. SPEAKER :—" Motion moved—

' That the proposed Andhra State Bill, 1953, be taken into consideration.'

" There are about 280 amendments. I wish to suggest an easy method by which we can go through all these amendments. The Long Title for instance has five amendments. I will ask the hon. Members who have given notice of amendments to the Long Title to move them formally. After they are moved and seconded, we can have a discussion on the clause as well as all the amendments. Then we can put them to vote one by one. It is not possible to discuss separately each of these 280 and odd amendments."

SRI PILLALAMARRI VENKATESWARLU :—" Our difficulty in accepting the suggestion is this. Of course in some cases we can accept your suggestion, Sir. But there are cases where amendments differ materially from one another."

MR. SPEAKER :—" I will put one by one all the amendments to the vote of the House, and that will meet the objection."

SRI PILLALAMARRI VENKATESWARLU :—" If it had been any other Bill I would have accepted the suggestion."

MR. SPEAKER :—" I will give the hon. Members full scope for discussion."

SRI PILLALAMARRI VENKATESWARLU :—" Unless every amendment is discussed separately . . ."

MR. SPEAKER :—" The voting on the amendments will be carried out separately."
